Asian and Multicultural Ministries in Canada

A MINISTRY OF THE ANGLICAN NETWORK IN CANADA

Asian and Multicultural Ministries in Canada (www.ammic.ca) exists to facilitate the development and growth of Asian and multicultural Canadian churches and Christian communities.

We seek:

- to ground and nurture these communities in the Christian faith and help them think biblically about the challenges they face from western culture as well as wrestle with the meaning and significance of their own cultural heritage;
- to build partnerships among Asian-Canadian churches in order to mutually enrich, support and challenge one another in gospel witness; and
- to serve together as one body of Christ in Canada and beyond to fulfill the Great Commission of the Lord Jesus Christ.

Asian and Multicultural Ministries in Canada is under the leadership of Suffragan Bishop Stephen Leung (Asian and Multicultural Ministries) and is a ministry of the Anglican Network in Canada (www.anglicannetwork.ca) which is one of the founding dioceses of the Anglican Church in North America (www.anglicanchurch.net), a province of over 100,000 Sunday attendants across North America.
